3D Digital Image Showcase

Sponsored by

A new addition for the 2011 NSA Convention! Every NSA member can enter the competition whether they are registered for the conference or not. This is a great opportunity to showcase your never seen before images at the convention and on the Internet! NSA members can submit up to 6 images which will be combined with other entries, identified by author, announced and shown in the NSA 2011 Stereo Theater and on a NVIDIA PC system during the convention. Images will be judged during the convention and the winners will be announced at the Annual NSA Banquet on Saturday evening, July 16, 2011. Additionally, entries will be posted on NVIDIA'S website, 3DVisionLive.com, to be viewed and judged by online viewers.

Rules:

1. All entries must be submitted before June 20, 2011.
2. All images must be the original and sole work of the entrant.
3. Entrant must be a current NSA member.
4. Images must not have been shown at a prior NSA conference.
5. Each individual may enter no more than six (6) images in digital format.
6. Image submissions must be accompanied with the information requested on the official entry form.
7. Each image file must contain the entrant's last name and sequence number (e.g. Name02.jpg, Name03.jpg).
